

1. Provide a final ERD diagram of your project.

2. Identify the nouns and verbs from your project and document them in a tabular form explaining relationship between two nouns. We should be able to understand this from the class diagram you submit. Decide which nouns should be entities and which should be attributes.

Serial Number	Noun	Verb	Noun
1	Pokemon	evolves into/from	Pokemon
2	Pokemon	evolve by	Method
3	Pokemon	learn	Moves
4	Pokemon	has	Ability
5	Pokemon	has	Type
6	Moves	are	Class
7	Pokemon	learn moves by	Method
8	Type	Strong/Weak to	Type
